To the Voters of Alexandria:

I am a candidate for Civil and Police Justice of the City of Alexandria, subject to the Democratic Primary to be held on August 2nd, 1921.

As it may not be my pleasure to have a personal interview with you before the date of the Primary, I take this means of soliciting your support.

This is a very important office to the City of Alexandria, including as it does, the work of the present Police Justice with the trial of all civil cases of a certain class in the city.

If elected, I shall give my best attention to the duties of the office, and shall administer the law as I

find and construe it, impartially to all, and without favor to any.

I have practiced law in this city for over fifteen years and am well acquainted with the people of the city and with local conditions, which experience and acquaintance I consider qualifications for the office of Civil and Police Justice.

On my return from the law school of the University of Virginia, I located in Alexandria to practice my profession. Alexandria's success or failure is mine, her destiny is my destiny.

I assure you that I shall appreciate your vote.

Respectfully yours,  
AYLETT B. MCCLURE

Friends Really Became Alarmed.

Change In Richmond Woman Since Taking Tanlac Is Nothing Less Than Wonderful.

"I don't believe a person could feel any better than Tanlac has made me feel," said Mrs. W. E. Whitlow, 3315 East Q. St., Richmond, Va.

"I suffered for months from a gen-

eral run-down condition. My appetite left me and I suffered so from nausea I could hardly retain anything. I was so nervous I just dreaded to see night come. I was troubled with frequent attacks of dizziness and I had to sit down to keep from falling. I lost weight and was so weak that the least exertion completely exhausted me so I could not do my housework. I took numbers of medicines, but kept getting worse and my friends were greatly alarmed at my condition.

"But it is altogether different with me now, as Tanlac has helped me wonderfully. My husband, who has been a great believer in Tanlac for sometime, got me a bottle and from the very first dose I noticed an improvement, as my stomach began to get better and my appetite picked up. I am eating everything I want and it doesn't hurt me, and I can't remember when I have felt as good as I do now. I do all my work with ease, and my friends are always asking what it is that has made such a change in me, and I always tell them Tanlac." Tanlac is sold in Alexandria by Edgar Warfield, Jr., and leading druggists everywhere.

## VOTE FOR FRANK STUART FOR CIVIL AND POLICE JUSTICE

1. He is well qualified for the position.

Graduate of law University of Virginia; fifteen years experience as practicing attorney; three years experience as a law writer; has led office of State Examiner of Records, State of Virginia; former clerk of the Circuit Court of Westmoreland County, Virginia.

2. Because he is fearless and a man of independent judgment and action, and can not be dictated to by politicians.

3. Because he has a definite platform and well settled policies, principles and opinion, and is not afraid to express them.

4. Because he believes that the Court should be kept out of and above politics.

5. Because he is against ring rule, and machine politics and does not believe that politicians should manipulate our public offices for their own individual benefit, and not in the interest of the people.

6. Because he believes that the Courts should be conducted on a business-like basis, and the law enforced without fear or favor.

7. Because he believes that a candidate should "run for office" and not be run for office" in the interests of professional politicians.

8. Because he is in favor of clean government, clean politics and whatever is for the benefit of our city.

The election of the best man for Governor will have very little effect upon the conduct of our local, civil and police court, but the way this office conducted will depend entirely upon the man you select as your judge. The manner in which our public offices are conducted depends absolutely upon the character of men we elect to fill our public offices. It is a duty of every good citizen to vote on the 21 day of August, 1921, in the Democratic Primary. Vote for the best qualified man for the position. Do not vote for a man simply because he asked you first, a higher duty rests on the voter.

Do not fail to come to the polls and vote.

Polls open from sunrise to sunset.

Women can pay their capitation tax and register to vote up to and including the date of election.

Come out and vote; vote intelligently; vote against ring rule and machine politics, and against the candidate of the machine for the above position, and let August 2, 1921, sound the death knell of ring rule and machine politics in the City of Alexandria.
